Medals according to Entry numbers

Lady Paramount's Prize

We appreciate that being new to the sport you may not have the correctly colouring clothing for a competition, therefore GNAS regulations will not be strictly enforced. If you have either green and whites or your Club colours please wear them.

Important. Although this is a competition for **NOVICES**, if an **EXPERIENCED** Archer wishes to shoot alongside their colleague for company, it is on the strict understanding that they will not be eligible for any PRIZES.

Please Note. As verification of your shooting status your entry form must be signed by your Records Officer or Club Secretary.

Entries not signed will be returned.
