

Welcome to the **Lancashire Archery Association**, the **LAA**.

The LAA is a group of volunteers who are usually, but not always, the secretaries from the individual Lancashire clubs. They meet 4x per year to share information and plan the development of archery in Lancashire. Information is a two-way street, from club to LAA to NCAS (Northern Counties) to AGB (Archery GB/GNAS) and back again.

As a member of LAA you are always welcome to attend our meetings as an individual.

The LAA secretary and two volunteers attend all NCAS meetings and report any information back to the LAA committee. This information will feed back to all LAA secretary's/club contacts.

What the LAA does for you as a member:

- Organising of the following LAA Tournaments:
 - Senior Outdoor Championships
 - Senior Indoor Championships
 - Junior Outdoor Championships
 - Clout Championships Field Championships
 - World Record Status WA 1440 (FITA STAR)
- County Squad training sessions, Senior and Junior
- Inter County matches, home and away
- Help and provide advice to clubs and archers, when asked for
- Provides a website for information re Archery in Lancashire, and with links to other counties/AGB etc.
- Provides a full set of continually updated county records

Be proud to be a LAA archer and, in the future, you could be shooting for your county.

Good shooting to you all,

The LAA Committee
